Internship Notification

20-06-2023

Dear Students,

We are delighted to announce that Mazedan International Research Academy is offering an exceptional opportunity for aspiring individuals to join our institution as interns. Whether you have a passion for web development, marketing, or editorial work, this internship program will provide you with invaluable hands-on experience and a chance to learn from industry experts—all from the comfort of your home!

At Mazedan International Research Academy, we are committed to fostering growth, creativity, and innovation. We believe that internships play a crucial role in nurturing talent and equipping students with practical skills that bridge the gap between academia and professional life.

Internship Details:

- Duration: 2 Months
- Location: Remote (Work from home)
- Stipend: 5000Rs per month
- Internship Fields: Web Development, Marketing, and Editorial Work

Web Development Internship: As a web development intern, you will have the opportunity to work on real projects, gaining experience in front-end and back-end development, website optimization, and user experience design. You will collaborate with our experienced team, enhancing your coding skills and understanding of industry best practices.

Marketing Internship: As a marketing intern, you will assist our marketing team in executing strategic campaigns, creating engaging content, conducting market research, and analyzing data. This internship will provide you with insights into digital marketing, social media management, branding, and campaign analytics.

Editorial Work Internship: As an editorial work intern, you will work closely with our editorial team, contributing to content creation, editing, proofreading, and publication management. This internship will allow you to develop your writing skills, gain experience in content strategy, and understand the editorial process.

Benefits:

- Mentorship from experienced professionals in the respective fields
- Exposure to real-world projects and industry challenges
- Certificate of completion highlighting your internship experience
- Opportunities to network and connect with professionals in the industry
- Valuable insights and skills to boost your career prospects

Eligibility:

- Currently enrolled in a degree program related to web development, marketing, or editorial work
- Strong interest in the chosen field and willingness to learn
- Excellent communication skills and attention to detail
- Self-motivated, proactive, and able to work independently
- Access to a computer/laptop and reliable internet connection

To Apply: If you are enthusiastic about gaining hands-on experience in web development, marketing, or editorial work, we invite you to apply for our internship program at Mazedan International Research Academy. Please send your updated resume and a brief cover letter indicating your field of interest to **info@mazedan.com**.

Application Deadline: 30 June 2023

Note: Due to limited positions, only shortlisted candidates will be contacted for further evaluation and interviews.

We look forward to welcoming talented and passionate students to our internship program, where you can learn, grow, and make a difference. Should you have any further questions or require additional information, please do not hesitate to contact us at info@mazedan.com.
